

## **NSSE SURVEY**

**UHD is currently conducting a survey of randomly selected students. It is called the National Survey of Student Engagement (NSSE). You may get it electronically via email or in a letter in the mail. Please do NOT throw it away. Your responses are very important to the future and improvement of UHD programs.**

**And, by filling out the survey, your name will be entered into a drawing for one of two i-pods.**

**If you got the email, but deleted it, you can go to the following website to retrieve your password and ID: <https://www.nssesurvey.org>.**

**The survey is being conducted by an outside agency; all responses will be anonymous when reported to UHD – we will not know anyone's names.**

**They must be completed by April 11.**
