

# CS 4303 Programming Language Concepts

## Department of Computer Science and Engineering Technology

### Course Calendar:

The Course calendar below contains only the general outline of the activities and assignments that you are responsible for each week. Specific instructions for each week are provided in Canvas. Note that the course calendar is subject to updates during the semester. It is your responsibility to check this calendar prior to planning any course events.

| Week | Monday<br>(asynchronous)                 | Tuesday (face-to-face)   | Wednesday (face-to-face)   | Thursday<br>(asynchronous)               |
|------|--|--|--|--|
| 1    | 1/12<br><a href="#">Chapter 1</a> Part 1 | 1/13<br><a href="#">Chapter 1</a> Part 1                               | 1/14<br><a href="#">Chapter 1</a> Part 2                               | 1/15<br><a href="#">Chapter 1</a> Part 2 |
