

PLTL (Peer-Led Team Learning)

Conscientious and Enthusiastic PLTL Workshop Leaders Wanted for College Algebra Classes

Have you had Math 1404 (Precalculus Mathematics) and/or Math 2401 (Calculus I), and earned a grade of A or B? If your answer is “yes”, then you can be the first PLTL Workshop Leaders at the [University of Houston-Downtown](#).

Here are some benefits and extensions that can come from being a PLTL Workshop Leader (**These are the voices of former or current PLTL Workshop Leaders at other colleges and universities**):

- ✓ Learning the subject better
- ✓ Learning to work with other students
- ✓ Making lasting friends
- ✓ Getting paid
- ✓ Learning to be a better leader
- ✓ Teaching experience
- ✓ Great for a resume
- ✓ Learning time management skills
- ✓ Fixing mistakes the next semester
- ✓ Seeing someone finally understand something
- ✓ Meeting leaders from other colleges and universities
- ✓ Book writing opportunities
- ✓ Traveling to conferences
- ✓ Planning conferences
- ✓ Poster presentations
- ✓ Presenter at other conferences
- ✓ Preparation for future plans, becoming a math or a science teacher

PLTL (Peer-Led Team Learning)

PLTL Workshop Leader Job Description

A Workshop leader:

- ✓ Conducts weekly 1.5-hour Workshop sessions as scheduled.
- ✓ Attends the weekly Workshop training sessions and complete all assigned work.
- ✓ Prepares for Workshop sessions.
- ✓ Informally evaluates the progress of individual group members via leader logs.
- ✓ Maintains attendance records for the Workshop.
- ✓ Participates in debriefing surveys and discussions about the Workshops via leader logs.

Workshop leaders will be paid \$500 for the semester. The Workshop responsibilities begin on the first day of classes and continue until the last day of classes.
